2016 Berean Bible Fellowship Fall Conference October 1st-2nd Lessons To Learn

For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the Scriptures might have hope.

Romans 15:4

Hosted By

CROTON COMMUNITY CHURCH

I trust you understand and rejoice in the Gospel of Grace our risen Lord revealed to the Apostle Paul. Our primary goal is to grow in understanding of Jesus Christ according to the Revelation of the Mystery.

Having said that, I have always been a firm believer that all Scriptures are profitable for doctrine, for reproof, for correction, and for instruction in righteousness *when they are rightly divided*.

Rightly dividing the Word of Truth does not mean “just read Paul’s letters.” We can glean from the entire Bible when we are able to discern what God is doing in the Age of Grace. Apostle Paul referred to Old Testament Scriptures and Jewish feast days to teach lessons that can still be applied in today’s economy of God.

This year our speakers will be given the opportunity to present a lesson from the Old Testament. They may concentrate on principles. They may focus on an aspect of God’s character. They may use the passage to compare Law and Grace. They will not, however, spiritualize and allegorize. Whatever they decide, our prayer is that it further equips the saints to do the work of the ministry.

We invite you to come enjoy solid Bible teaching and fellowship with likeminded saints.

In His service,
Pastor Matt Ritchey
